Dr. Jessica D. Payne, Associate Editor
Journal of Experimental Psychology: General
Manuscript No. XGE-2023-1118

Dear Dr. Payne and reviewer,

Thank you for the feedback contained within your decision letter dated October 20th, 2024 and the opportunity to resubmit our manuscript (XGE-2023-1118). We have revised our manuscript in accordance with the reviewer comment and organized those changes in the appended document.

We believe that our revision addresses the reviewers concerns by making the functions of studies 2 and 3 more clear. Again, we appreciate both your time and the time of the reviewers and we look forward to your assessments of this most recent version of our manuscript.

All the best,

William Mitchell
